Collector, Idikki.
2. Ir.No.25920/P1/73/DEM. dt. 17-12-73 from the Director of I.M.

O r d e r.

At present there is no district office for the department of Indigenous Medicine in Idikki District. The institutions under the Indigenous Medicine department in that area are now under the control of the D.I.M.O., Kottayam and the D.I.M.O., Ernakulam. The District Collector, Idikki in his letter read above has reported that as the control over the Ayurvedic institutions in the area is now exercised by two District & Indigenous Medical Officers, difficulties are being experienced in their administration. He has suggested that pending formation of a district office at Idikki, the jurisdiction of the entire Ayurvedic institutions in Idikki District may be given to the District Indigenous Medical Officer, Kottayam for better administration.

The Government have examined the proposal of the District Collector, Idikki and they are pleased to order that the D.I.M.O., Kottayam will have jurisdiction of the entire Ayurvedic institutions in Idikki District. The D.I.M.O., Ernakulam will have no control over the institution in the Idikki District. This order will take immediate effect.

The question of opening a separate District Office will be considered in due course.
